HEAVY FIGHTING PROGRESSES WITHOUT ANY GAIN

NORTHERN FRANCE QUIET
ALONG THE ENTIRE FRONT
GERMANS CAPTURE PREDEAL POSITIONSRumanians Continue Their Pursuit
of Teutonic Forces in the
Jiul Valley

(By Associated Press.)

Heavy fighting continues on the battlefields of Galicia and along the Rumanian frontier without any pronounced gains on either side. Northern France last night was quiet along the entire French front. Berlin reports French and British attacks in the Guedecourt, Les Bous and Couclette sectors north of the Somme, which were repulsed. The Austro-Germans made little additional progress in their campaign against Rumania. Berlin announces the recapture of a position southwest of Predeal, which the Rumanians took November 2, but concedes the occupation by Rumanians of the Rosca night, southeast of Altschana. Petrograd reports the advance of Rumanians in Jiul valley continuing. The Russian front of the Teutons under Prince Leopold of Bavaria has taken little additional ground from the Russians on Narayuvka southeast of Lemberg, Berlin states.

Violent fighting continues to mark the Austro-German attempts to penetrate the plain of Rumania, south of Kronstadt and Hermannstadt and towards Bucharest. The stiff defense of the Rumanians is yielding slowly to the blows of Austro-German artillery and infantry about Predeal and Berlin announces further progress south of the border for them.

East of Predeal, however, the Rumanians advancing in the Buzeu valley have driven the invaders back over the frontier in the region of Table Butzi. They also have taken Mount Sirlul and Taturumio, along the Transylvanian border, southeast of Kronstadt. South of Hermannstadt in the region of Rothensturm pass, the Austro-Germans have extended their lines and captured an additional 350 prisoners. West of Rothensturm and in the Prahova valley the Rumanians are holding their ground.

On the eastern front, fighting has taken place east of Kovel, in Volhynia, and southeast of Lemberg, in Galicia. Berlin announces the repulse of seven Russian attacks against the Austro-German positions on the left bank of the Narayuvka river, near Halez in Galicia, while Petrograd

TWO SHIPS COLLIDE,
BOTH GO TO BOTTOMBODIES OF PASSENGERS AND
CREW WASHED ASHORE
ON IRISH COAST

(By Associated Press.)

LONDON, Nov. 4.—The Connemara, a London and Northwestern railroad steamer, bound from Greenore to Holy Head with passengers, collided with the steamship Retriever, both vessels sinking. It is reported that there were only fifty passengers aboard the Connemara, her crew numbering 31. Lloyd's reports the collision off Carlingford Lough, an inlet on the Irish coast. A few bodies were washed ashore. The railway company says it is unable to state whether any Americans were aboard these vessels. They seldom carry saloon passengers.

(By Associated Press.)

LONDON, Nov. 4.—In one of the worst gales in history on the Irish sea, the steamship Connemara collided last night with the steamship Retriever outside the Carlingford bar. Both sank immediately, with an estimated loss of life of one hundred. Of the fifty passengers and crew of thirty-one on the Connemara, there was only one survivor. It is virtually certain that no Americans were aboard. All the crew of the Retriever were lost. Many bodies were washed ashore on the Irish coast.

says the Russians have reoccupied part of their trenches on the west bank of the Stokhod in the region of Kiselin, in Volhynia. Near Lipniedolna, in Galicia, the Russians have pushed back the Austro-Germans in some places.

There have been no heavy actions on the Somme front. The French have made slight gains at Sully and the British have taken a German trench east of Guedecourt. Fort Vaux, in the Verdun region, has been occupied by the French, following its evacuation by the Germans.

Although fighting continues at various points along the Macedonian front from Lake Presba to Lake Tashino, there has been little change in the general situation. British troops have taken Altsa, on the left bank of the Struma, from the Bulgarians.

(By Associated Press.)

NEW YORK, Nov. 4.—Completion of negotiations with the Russian government for a fifty million dollar five year 5½ per cent loan by the leading bankers in a syndicate headed by the National City company, which is controlled by the National City bank, brings the total borrowing here by foreign countries, with the exception of South America, to a point exceeding two billions. C. E. HUGHES ENDS HIS CANDIDACY TOUR
REPUBLICAN CANDIDATE CONFIDENT OF ELECTION

(By Associated Press.)

NEW YORK, Nov. 4.—Charles E. Hughes ended his travels as a presidential candidate here last night. The nominee spent the day journeying down the Hudson river valley from Albany. He delivered five speeches on the way and after his arrival here addressed three meetings in Brooklyn.

In his day speeches Mr. Hughes spoke chiefly on the tariff and the maintenance of American rights abroad. He also assailed the administration for "broken promises" with respect to the reduction of the cost of living, the observance of the merit system in making appointments, the maintenance of American rights abroad and economy in the expenses of the government.

Conditions which industry in the United States will face at the close of the war were characterized by every student of our affairs.

"We want to look out that we do not have a headache coming to us in the near future," the nominee told an audience at Newburgh, "because

there are quite a number of things that we must carefully consider."

Among the chief of these Mr. Hughes ranked commercial competition, after the war with European nations, "not at all wasted by war, but disciplined, organized as they have never been before."

The Underwood tariff, Mr. Hughes said, would not meet the situation as a measure of protection to American industry.

"Our opponents told us four years ago," Mr. Hughes said at Kingston, "of the wonderful opportunities they were going to give to American business. We know what actually followed. I do not mean that they were insincere. I simply mean that what they think fitted American life does not work with it."

Mr. Hughes said he asked his opponents what they were going to do about safeguarding American industry and they replied that they had a tariff commission. A tariff commission, he continued, did not pass laws.

"I do not blame them," he said, "for their continued adherence to the

old policy which through the generations they have maintained and the doctrine which in platform after platform they have asserted. I really in a sense admire their tenacity and the way in which they ignore the facts of life in their constancy of spirit."

It was no time, Mr. Hughes declared, for his political opponents to be sensitive about criticism. "We are taking account of stock," he said in his Newburgh speech. "Our opponents seem to be a little sensitive about the stock taking. They seem to have the idea that there ought not to be any criticism of the administration. Well, we would not do very well in American life under our institutions if we went ahead in that way. We want fair criticism. We want candid criticism, but we must conserve the opportunities of American life and the honor of the American name."

The policy which would conserve the honor of the American name and result in upholding American rights was not the policy of braggarts, he said.

SENATORIAL CAMPAIGN
IN CALIFORNIA ENDSRESPECTIVE CANDIDATES TO
HOLD CLOSING MEETINGS
THIS EVENING

(By Associated Press.)

SAN FRANCISCO, Nov. 4.—The race for United States senator between Johnson, Republican, and Patton, Democrat, ends tonight so far as the campaign's respective candidates are concerned. Johnson has arranged to make his closing speech at Berkeley, while Patton drops the curtain on his campaign with a speech at Los Angeles. Both have virtually covered the state. Most of the candidates for state senate, assembly and congress will also close their campaigns in their respective districts.

PREDICTS NEW JERSEY
SAFELY REPUBLICANPRESIDENT'S OWN COUNTY WILL
GIVE HUGHES GOOD
MAJORITY

(By Associated Press.)

NEWARK, N. J., Nov. 4.—The claim that New Jersey, the president's home state, will be carried by the Republicans by forty-five thousand votes, is made by Newton A. K. Bugbee, the Republican state chairman. Mercer county, wherein the president votes, will return a Republican plurality of forty-five hundred, he predicted.

BOTH SIDES CLAIMING
STATE OF CALIFORNIASIGNIFICANT, HOWEVER, HUGHES'
ESTIMATE MUCH THE
HIGHER

(By Associated Press.)

SAN FRANCISCO, Nov. 4.—Chester H. Rowell of Fresno, chairman of the Republican state committee, claimed California for Hughes by fifty thousand in a statement. "Johnson's election by an overwhelming majority is conceded, and, making every possible allowance for a discount, a margin of fifty thousand for Hughes still stands. The labor vote, claimed for Wilson, in fact is badly divided."

(By Associated Press.)

SAN FRANCISCO, Nov. 4.—"Wilson will carry California by at least twenty-five thousand. San Francisco will give him a record breaking majority," said O. K. Cushing, chairman of the Democratic central committee. "In southern California our vote will be a sad surprise to the opposition. This is my conclusion after a vigorous campaign of thirty days. I shall not be surprised if Wilson's majority is much larger than twenty-five thousand."

OFFENSIVE FAILS IN
MACEDONIAN ATTACKONLY WORK FOR DEFENDERS
TO HOLD PRESENT
POSITIONS

(By Associated Press.)

BERLIN, Nov. 4.—General Sarraill's offensive in Macedonia is declared in a Sofia dispatch to the newspaper Az 2st of Budapest to have failed completely, the various groups of his army now only attacking at isolated points. The attacks recently made in the bend of the Cerna at Lake Malik and on the Kamunna plateau are described as resembling "nervous convulsions."

General Sarraill's only task now, adds the newspaper, "apparently is to hold off as he may the German-Bulgarian troops in order that the sagging of Greece may meanwhile be completed."

NEUTRAL SHIPS MAY BE
OPERATED

(By Associated Press.)

LONDON, Nov. 4.—A special dispatch from Amsterdam features a statement in the Kreuz Zeitung to the effect that Germany has decided to make the safety of neutral ships carrying neutral cargoes dependent upon guarantees that no part of such cargo shall be landed in an allied port. Such guarantees, according to the Zeitung, can consist only of informal undertakings by Great Britain, such undertakings to be recognized only from case to case.

JIMINEZ CAPTURED BY A
VILLA BAND

(By Associated Press.)

EL PASO, Nov. 4.—Government agents have received what they declared to be reliable information that Santa Rosalio, Parral and Jiminez have been taken by Villa bandits. It is not known whether the towns were held by the bandits after they were captured. American mining men, who received what they claim to be confirmation of the report, say that Parral was taken Tuesday.

GERMANY INTERESTED
IN ELECTION RETURNSLENGTHY EDITORIALS, BUT NO
SIDES TAKEN BY THE
PRESS

(By Associated Press.)

BERLIN, Nov. 4.—The German press shows considerable interest in American elections, printing all the available news arriving by way of Holland, reprinting summaries of the situation from old English papers. The Koelnische Volks Zeitung devoted a lengthy editorial to the subject, studiously avoiding taking sides. If the German people, it says, at one time sided with any one candidate because they assumed he was more friendly, Germany now sees its mistake. Other papers discuss the matter in a similar vein.

Industry Must Face Serious Conditions in the U. S. at Termination of the War

(By Associated Press.)

NEW YORK, Nov. 4.—C. E. Hughes invaded the business district today, making five speeches wherein he attacked the administration and declared for the maintenance of American rights throughout the world. He asserted he was "opposed to treating the American business man as a sus-

picious character." Large crowds of business men and women on their way to and from lunch cheered Hughes. At every stop he expressed himself confident of election and said he did not propose to deal with the international situation in "academic manner."

VILLA COLONEL EXECUTED AT JUAREZ

(By Associated Press.)

EL PASO, Nov. 4.—Colonel Rosario Garcia, a Villa commander from Sonora, with two of his men, were executed at Juarez after their conviction in a military court on charges of treason. They were captured at Hacienda Santa Ana, near Namiquipa, and brought to Juarez yesterday. Garcia

weakened when the moment of death came. He wrote a letter to his family, then made an impassioned plea for his life, his voice breaking with emotion. His companions were a beardless boy of seventeen and a Mayo Indian, who stoically smoked a cigarette while Garcia pleaded for his life.

FIELD HEADQUARTERS, Mexico, Nov. 4.—Cowboys from the Barbicora ranch, operating with home guards from Namiquipa, defeated fifty Villistas, killing several and capturing eleven, according to a report received by General Pershing. The report says that five of the prisoners said they were forced to join the bandits in Guerrero district. The fight occurred at Santa Ana, seventy-five miles south of the American camp at Valle.

HONORS ARE PAID
A DEAD AVIATOR

(By Associated Press.)

BERLIN, Nov. 4.—The Lokal Anzeiger, in its account of the funeral of Captain Boelke, Germany's famous aviator, says at the grave Lieutenant Colonel Thomsen, chief of the German aerial fleet, made a solemn promise in the name of his comrades and disciples of the dead aviator: "I shall become a Boelke." The streets of Dessau, Boelke's home city, were thronged. A squadron of aviators flew along the route of the funeral procession to the cemetery.

PRESIDENT THINKS HE
IS A SURE WINNER

(By Associated Press.)

LONG BRANCH, Nov. 4.—President Wilson in his final campaign speech charged his political opponents with coercing the working people "by spreading alarms." He added: "They used to control the credit of the nation and now only control the betting." He also accused the other side with "making sport" of unsettled things "and spreading tinder when all the world is ablaze." The president in his closing address predicted victory next Tuesday.

MRS. J. M. FERNALD
BLAZING THE TRAIL

CALIFORNIA HAS A WOMAN CANDIDATE FOR A SEAT IN CONGRESS

(By Associated Press.)

SAN ANTONIO, Nov. 4.—In next Tuesday's election, California contributes as candidate one of the several women running for seats in the national congress on Republican, Democratic and Prohibition tickets. Mrs. Josephine Marshall Fernald of San Francisco is Democratic candidate from the fourth congressional district, thereby opposing Julius Kahn, the ranking Republican member of the house committee on military affairs. She is incidentally the first California woman to run for a federal office on either ticket. "Blazing the trail" has a significance that Mrs. Fernald attaches to her campaign.

DOUBT CONVOY GOES
WITH DEUTSCHLAND

(By Associated Press.)

WASHINGTON, Nov. 4.—Reports that the Deutschland will be convoyed on returning to Germany by the U-57 are not confirmed here officially. In some quarters such a step is regarded as improbable, as it has been contended that a convoyed ship takes on a warlike character and with her convoy cannot claim immunity as a peaceful merchantman.
